

THE POINTER INN

NEWCHURCH

Robert, Rachel, Scarlett & Brandon Burrows welcome you to The Pointer Inn.

Since May 2010, Robert & I have managed to build up a much loved pub. With our emphasis on great food, good service, local produce & a warm welcoming smile.

We have acquired a few awards along the way & our family has grown by two. Scarlett is a keen baker & Brandon loves sampling his daddies food. (They do make surprise visits, so keep an eye out).

We hope you enjoy your visit, if there is anything you need, or anything that could improve your visit, please do not hesitate to speak to a member of staff who will be happy to help.

Thank you for choosing to eat drink and be merry with us.

Robert, Rachel, Scarlett & Brandon
