Welcome you to "The Pointer Inn"

If you are dining in our Veranda please order at the bar.

PLEASE SEE OUR BLACK BOARDS FOR DAILY SPECIALS

Since the 24th May 2010 Robert and I, as Landlord and Landlady, have worked hard striving to improve and push The Pointer Inn forward to the high standards we continue to achieve. Over the last 5 years we have refurbished the interior, built the Veranda, extended the car park and have invested in kitchen equipment to keep up with the ever-increasing trade.

During these past five years we have gained **Fullers Country village Pub of the year award** 2012/2013 finalist 2014.

Several **Fullers Master cellar man of the year awards** including Best Newcomer 2012, Pride & Passion 2013, and 3rd in the overall competition 2014

**BT Sport regional Winners for
The Morning Advertiser Best Cellar 2013**

We are consistently in the **Good Beer Guide** since 2011

We have also gained the **Trip Advisor award for excellence** every year since 2011

On November 19th 2014 a little bundle of joy joined us. **Scarlett Ava Burrows**, we have her in training already she loves meeting new people sampling daddies new food and has a cheeky smile! (she also pops in for surprise visits, so keep an eye out)

We hope you enjoy your visit, if there is anything you need, or anything that could improve your visit, please do not hesitate to speak to a member of staff who will be happy to help.

Thank you for choosing to eat, drink and be merry with us
